AT LAST! AT LAST! At last the last vacant corner in the northeast quarter west of popperston has been sold.

Therefore, popperston "has arrived." Therefore, people who have to buy and build, we know the good time would come in the long run.

A long run of seventeen years, during which the ruling has descended and the winds have blown upon us, and we have grown round-shouldered and bald-headed and knee-prung and generally dilapidated.

But we are still here and have the same old sunny smile for customers. We are going away for two weeks, during which we shall not "receive" at our palatial office, 55 West Second South. But we have tied up the dog and you are cordially invited to make yourselves at home in the office and look at the map of popperston on the wall. When we return, come and see us.

But come soon, for we are going away again, and by-and-bye we are going away for good and all.

"Because of which you can buy lots in popperston pretty darn cheap."
